„Was wollt ihr von uns?“ Erwartungen an die Politikwissenschaft in Österreich Podiumsdiskussion zu 50+1 Jahren Österreichische Gesellschaft für Politikwissenschaft

Die Politikwissenschaft in Österreich befindet sich im Wandel. Im akademischen Bereich nehmen Spezialisierung und Internationalisierung stark zu. Gleichzeitig soll die Politikwissenschaft einen stärkeren Beitrag zur Behandlung gesellschaftlich relevanter Fragen leisten. Aber was sind überhaupt die Erwartungen an die Politikwissenschaft? Was wollen Politik und Medien von ihr? Und was ist sie imstande zu leisten? Darüber und über mögliche Missverhältnisse zwischen politikwissenschaftlichem Angebot und gesellschaftlicher Nachfrage diskutieren wir mit drei Gästen aus Medien, Politik und Politikwissenschaft.

- Barbara Prainsack (Professorin für Vergleichende Politikfeldanalyse, Universität Wien)
- Susanne Schnabl (Moderatorin ORF-“Report”)
- Stefan Wallner (Kabinettschef im Bundesministerium für Kunst, Kultur, öffentlichen Dienst und Sport)
- Stefan Wally (Moderation)
